When it rains the snails come out. Snails like to go in damp places, especially under a bush. They eat heaps of seedlings when you plant them. There are all sorts of snails, like seasnails, garden snails and just good old snails. I hate snails.

**Cody Fraser – a paragraph about snails**

There are lots of snails in the garden. Snails look like slugs! Snails eat vegetables. Snails live in a shell. Snails are cute.

**Keiper Jessop – a paragraph about snails**

## LIBRARY NEWS

Stocktake will take place during Week 4, on **Wednesday 2<sup>nd</sup> November (next week)** at Candelo Public School.

There will be no borrowing on that day but will be back to normal the following Wednesday, in Week 5.

**Please remember to bring back your library books.**

Thank you,

Merry Whitby
