Evening Performance Wed 14
December

Term 4 ends for students
Friday 16 December

Dear Parents/Carers,

Stage 3 Canberra Excursion: This week year 5 and 6 enjoyed a fantastic educational excursion to our Nation's Capital. Please see the 4BJ class report below for more details. Thank you so much Sam Johnson and Jenny Sheedy for making this camp a huge success!

Gymnastics has started today at the Candelo Town Hall with instructors from Eden Area Gymnastics.

Year 6 Transition to High School Day 2 is planned for Friday 4 November. Year 6 attending Bega HS should catch the High School bus to attend.

Kindergarten Transition has begun with class visits, Kindy student/family interviews and an Orientation for parents. Please ensure that families in the area are aware of the Kindy transition program for enrolments for 2023.

Thursday 10 November 12.00 – 1.00pm

Thursday 17 November 2.00 – 3.00pm

****Thursday 24 November 2.00 – 3.00pm**

(there will be Kindy interviews and a Parent meeting at 2pm).

Tell Them From Me Survey for Parents, Teachers and Students is now open. Parents are able to access the survey via the link below. Parents have the opportunity to complete the survey until Friday 4 November 2022 (Week 4, Term 4). The results of the survey inform our planning and are reported through the Annual School Report.

<http://nsw.tellthemfromme.com/qwm96>

3R and 4BJ students will travel to Bermagui for the **4 Winds Youth Festival** on Friday 11 November. Please ensure you have returned the permission note to the office.

Naomi Moore is relieving principal while Suezanne is away.

 Jimmy: conquering all of the challenges that come with camp
 Ava: conquering all of the challenges that come with camp

TWO SHEDS WORKSHOP
KIDS WEEKLY CLASSES

In woodwork classes at Two Sheds, kids don't just learn to build with wood and use tools, although that definitely happens. Most of all - they learn resilience, perseverance, and to harness their willpower. It is woodWORK after all... Wish fun, cool Project!

 RSVP by 8th November 2022
 Renay 02 6492 9000
 Light refreshment provided

On exhibit works from Industrial Timber, Visual Art & Textiles & Design

CLASS 1W: Nicola Whitehead

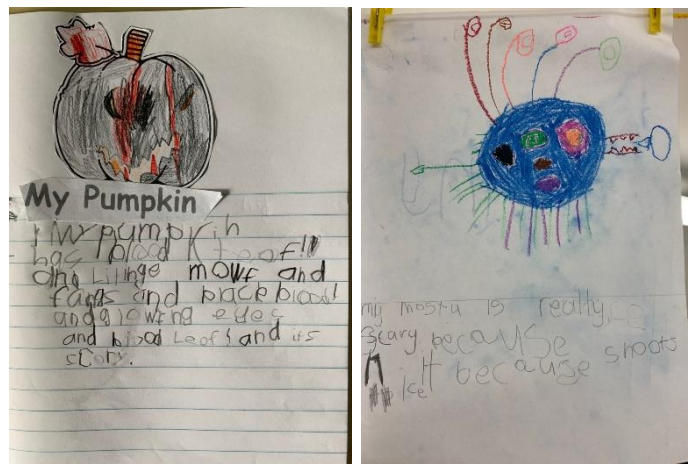

In Science, 1W have been continuing to learn about what things are made of, how to sort different materials and why things are made the way they are. They have also enjoyed making their own 'Foods of the World' book with Ms Garden.

In literacy, we have been practising our independent writing skills by creating our own monsters and writing full sentences about them using adjectives. It is wonderful seeing the students' creativity. Our 'pumpkin' activity on Halloween also saw some imaginative creations!

In maths we have been learning how to share items into groups and making it fair. Arranging items into rows has been helping students count more efficiently (in 2s, 5s or 10s or subitising) to calculate the total number of items, whilst providing them with the foundations to learn multiplication. We have had lots of hands on water fun learning about capacity too!

The current Kindergarten students are looking forward to welcoming the pre-schoolers to their first transition day, whilst the Year 1s get to transition into 2M for the session.

Gymnastics this week has also been exciting news for everyone!

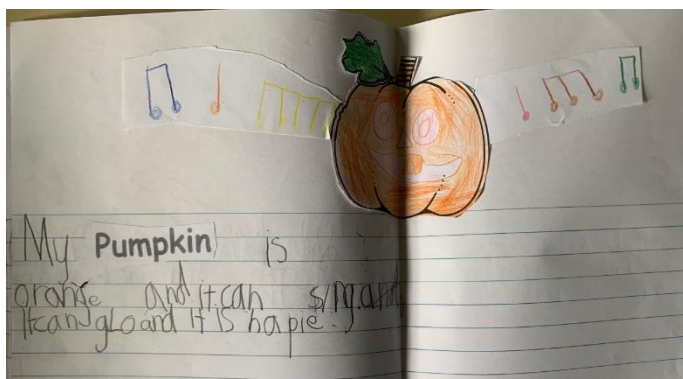

CLASS 2M: Naomi Moore/Sue Campbell

This week in 2M students have continued their work with shadow puppets. This has provided lots of wonderful opportunities for discussion, drama and writing. We have been learning to write and read words focusing on the /ow/ sound, for example: cow, how, now, town and for year 2 students: sound, mouse, ground, flower. Students have been learning about the many compound words in our language: friendship, teaspoon, handbag and football, to name just a few!

In maths we have finished our unit of work on fractions and will be learning about telling the time starting next week. Fractions provide important foundation knowledge for telling the time. Students will be able to relate what they have learned about halves and quarters to the terms "half past" and "quarter past."

In Science and Technology students are learning about digital systems with Ms Garden and technology with Mr Reeve. Gymnastic started today with Yvette and Zoey from Eden Area Gymnastics at the town hall!

Compound words puzzle

CLASS 3R: Chris Reeve

Candelo Public School students have been lucky enough to start Gymnastics in the Candelo Hall today. Each class will have 3 x 1-hour sessions for the next 3 weeks with the staff from Eden Gymnastics improving their skills, then on Thursday 1st December the whole school will travel to Eden Gymnastics (in Pambula) for an onsite session.

All students from 3R and 4BJ will travel to Bermagui for a concert at Four Winds on Friday 11th November.

The last few weeks 3R have been writing Narratives, focusing on writing detailed descriptions for characters and the settings. In Spelling, this week we are focusing on the sound 'ou' as in cloud, next week 'ch' as in chicken and 'sh' as in shell, and 'oy' as in boy and 'eer' as in deer in week 6. In Maths, the next week we will be doing some testing for reports as well as focusing on measuring litres/millilitres in containers and measuring grams/kilograms of objects. Home learning Unit 29 is due tomorrow (Friday 4th), in week 5 Unit 30 is due (Friday 11th) and in week 6 Unit 31 is due (Friday 18th).

If there are any questions, concerns or queries please don't hesitate to come and speak to me. Thanks Mr Reeve

CLASS 4BJ: Suzanne Bourke/Sam Johnson

4BJ have been on an epic adventure!

We have enjoyed a fantastic educational excursion to our Nation's Capital. We sat in the Senate and House of Representatives in both the new and old parliament and imagined what it would be like to have the responsibility of making decisions that affect everybody.

We were blown away by the beautiful buildings and gardens that we visited. We visited Questacon at nighttime and almost had the place to ourselves. We also visited The National Museum, Portrait Gallery, Arboretum, Cockington Green and War Memorial.

It was wonderful to make meaningful connections to things that we have been learning in the classroom; experiences that are sure to be memorable for students in years to come.

The students displayed exemplary behavior and were commended many times for their level of respect and thoughtfulness throughout the excursion.

We are very thankful to our parents and carers for supporting the excursion.

4BJ's Epic Adventure – Canberra Excursion 2022

31 October 2022
to
2 November 2022
