Dear parents/carers,

A **Community Kid Night Out** is being organised this Saturday supported by the P&C, Sam Martin and friends. All families are encouraged to participate. Please book in for this free event (both children and parents attending) and donations are welcome [www.candeloartsociety.org](http://www.candeloartsociety.org)

Year 4 students Zoe and Elsa have shown great initiative and have proposed a class challenge to **promote healthy lunch boxes**. Next week all children will be asked to bring a healthy lunch box (with food from the 5 groups) that is free of plastic packaging. The winning class will earn a delicious frappe.

**Kindergarten Transition - Please ensure that families in the area are aware of the Kindy transition program for enrolments for 2023.**

**Mrs Whitehead and I are looking forward to the Kindergarten Interviews on Thursday 24 November to better support a successful transition to Kindergarten for every child.**

**\*\*Thursday 24 November 2.00 - 3.00pm Kindergarten room for students and the Library for the Parent Meeting.**  
**(Kindy interviews will be held during the day & Parent meeting is at 2pm).**

Planning for the end of term will include finalising reports for each student, ordering shirts, badges and preparing leadership speeches for Year 6, 2023; Parents are asked to help prepare for the Year 6 Farewell and should contact me. We are organising Presentation Day for Tuesday 13 December at 1pm in the Town Hall. Parents and community members are most welcome.

A short version of the Aladdin story is being planned for the end of Year K-6 Drama, Matinee Wednesday 14 December from 12.00pm-1.30pm (tbc) and the Evening performance from 6.00pm to 7.30pm in the Town Hall. A Workshop to help finalise adjustments to costumes and props will be held at school on Sunday 4 December from 12.00pm - 2.00pm, (after the Candelo Markets).

School Swimming Scheme will take place in Term 1 for students Yrs 2- 6, due to availability of qualified coaches this term.

**Best wishes to Harper as he returns to Sydney with his family this weekend to prepare for School Spectacular next weekend! It is a huge couple of weeks so stay well Harper, and know that the whole community is behind you!**

**Year 6 Peer Support Camp** Week 9 Wednesday 7 Dec to Friday 9 Dec and will be held at Bournda. A note outlining the need for students to bring a tent (unless sharing with another student), sleeping bag and pillow etc is being prepared. The cost is \$80 per student. Year 6 will receive a copy of their medical and dietary note to be updated and returned to school.

**Gymnastics** sessions are being held in the Hall and on Thursday 1 December. K-2 and then 3-6 will travel by bus to Pambula to attend the Eden Area Gymnastic Centre (Sporting Schools). Notes are being prepared.

Thank you to **Inventi Ensemble** from Melbourne who were part of the 4 Winds Program and visited K-2 in the Music Room last Monday.

## Class 1W News - Nicola Whitehead

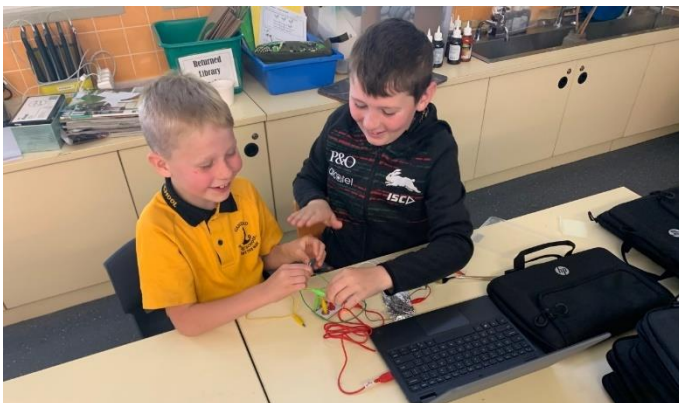

Term 4 has been bringing some exciting things to 1W - students have now renamed Thursdays, 'Fun-days', as they have been filled with STEM with Mr Reeve, Gymnastics at the hall and Kindy Transition! 1W and 2M also thoroughly enjoyed watching the Inventi Ensemble when they came to visit last Monday and loved drawing along to the music. Thank you, Four Winds, for coming to see us and sharing your wonderful musical talents. The students loved hearing about all the different places in the world playing instruments has taken you.

In Literacy we continue to learn our sounds and have nearly learned all 44 phonemes of the English language! In Maths we have been exploring 100 charts and beginning to investigate equal parts of a whole to understand halves and quarters. In Creative Arts we have been learning how to weave and our finished product prompted us to brainstorm where in the world we see chequered patterns, for example chequered flags and a chess board.

Thank you for supporting your child with their news items, remembering their hats and returning their home readers.

Have a great week!

Mrs Whitehead

## Class 2M News - Naomi Moore/Sue Campbell

This week we have been working on two complex vowel sounds. The first sound is "boy with a toy" 'oy' in enjoy, toy and boy and 'oi' in coin, join and soil. The second sound is "dear little deer" 'ear' in ear, hear and dear and 'eer' in cheer and steer. Students have also learnt about homophones, words that sound the same, but have different meanings, for example, dear and deer or here and hear.

On Wednesday we had a special visitor in our classroom called Bilbo. Bilbo is a 7-year-old rabbit who enjoys spending time with anyone who is prepared to sit quietly and offer lots of pats. He approves of all the 2M students, who demonstrated their ability to be quiet, gentle and respectful. He had a lot to teach students about how to care for living things and keep them safe. Today we have been writing paragraphs about rabbits in response.

2M students were very happy to see Ms Myhill return after her injury. She will be teaching maths in 2M on a Wednesday this term. Students will learn to round to the decade and improve their number sense and problem solving. Ms Myhill makes Maths lessons so much fun!

### Class 3R News - Chris Reeve

As part of our school performance, Aladdin, 3R will be in the scenes in the Marketplace. We will set up stalls and sell scarves, carry baskets to sell apples, wheel some wheelbarrows/carts with wares for sale. The song 3R have been learning to perform, is **One Jump Ahead**.

Today, was the third session at the Candelo Hall with the Eden Gym. We have been so lucky to have the opportunity to have this experience. In a fortnight (1<sup>st</sup> December) the whole school will be travelling to Eden Gymnastics (in Pambula) for an onsite class.

Congratulations to all the students from 3R who travelled by bus (and car) to Four Winds in Bermagui to perform the circus dance, guitar piece and choir singing.

Students have been busy working on their narrative and recount writing. Next week, each student will present a 1-2 minute speech in front of their class on anything they like (some topics include pets, favourite sports people, athletics, travelling around Australia and pollution).

Tomorrow, is the second last week homework is due (Unit 32) and next week is the final week homework is due (Assessment 25-32)

Zoe and Elsa have devised a Healthy Eating Challenge for the whole school. Lunch boxes will be monitored daily for the 5 food groups and check there is no plastic. The prize for the winning class is a fruit frappe.

### Class 4BJ News - Suezanne Bourke/Sam Johnson

University of Wollongong Bega Campus visit opened the children's eyes to the facilities that are right here on their doorstep. University is one of the pathways that children may choose to take after they graduate High School.

Reading comprehension and spelling skill development through weekly practice has ensured each child has become more confident and capable.

Maths Homework books are due each Wednesday, there are just a couple of units to complete. Well done children who, with a disciplined approach and support at home and school, are feeling so strong in this field.

4 Winds Music program has concluded and the children have benefited greatly from learning the local Indigenous language through song, developing their guitar skills with Dean and enjoying another opportunity to perform Circus.

**Year 6 Peer Support Camp** – we will send Canberra Medical note home and if there are any adjustments please update, sign and date and return the note to school.

Year 6 Farewell is being planned for Friday when the children return at the Pool (4-6pm), a great time to share their adventures with Year 5 and their families. Please bring a plate to share for afternoon tea.

**Year 5** are preparing their leadership speeches and will present them to parents and the school at 9.15am Tuesday 29 November (while Year 6 are at Bega HS transition).

**A fun and busy time at the UoW Bega Campus, thanks everyone.**
